Children Act - Bellary district - Junior Certified School at Bellary - Committee of visitors - Appointment of Executive Engineer as Official member.

From the C.I. of Certified Schools, No. 154-S3-46 dated 16.2.1946.

Prior to the date on which the revised Children Rules

came into force, namely, 17.9.40, the following officers were ex-officio members of the Committee of Visitors of the Junior Certified School, Bellary:-

1. The Dt. and Sessions Judge, Bellary.
2. The Dt. Magte, Bellary.
3. The Dt. Educational Officer, Bellary.
4. The Superintendent, Central Jail, Bellary.
5. The D.M.O. Bellary, and
6. The Sub-divisional Magistrate, Bellary.

Under rule 19 of the new rules as it stood then, the Supdt., Central Jail, Bellary, the D.M.O. Bellary and the S.D.M. Bellary ceased to be ex-officio member of the Committee with effect from 17.9.1940. A proposal was made by C.I. in 1942 to appoint the above three officers as members by name instead of by designation (ex-officio). Govt. agreed to the appointment of the D.M.O. as an ex-officio member but considered that there was no need at all to appoint the S.D.O. and the Supdt. Dt. Jail as members - please see S^t Thomas Rutherford's minutes on p. 7 n.f. of G.O.No. 3402 (247-S), Home, dated 15.9.42 at (C). The Dt. and Sessions Judge, the D.M., the D.E.O. and the D.M.O. are thus ex-officio members of the Committee of Visitors of the Junior Certified School Bellary at present. Please also see rule 19 of the new rules as it stands now on p. 4 of the pamphlet put up.

Rule 19 provides also for the appointment by the Govt. of "such ~~xxx~~ number of official and non-official residents in the district in which the school is situated as the Govt. may from time to time determine. The C.I.'s requests that the

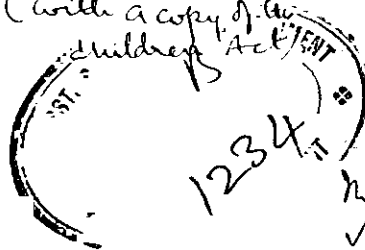

Executive-Engineer, P.W.D. Bellary may be appointed as an Official member of the Committee of Visitors of the Junior Certified School, Bellary. The proposal has been made at the instance of the Committee of Visitors and on the ground that the appointment will be in the interests of the School and will help to develop the Masonry Section. ~~The intention appears to be that the appointment should be ex-officio and not by name.~~

Legal Department.

There is no legal objection ^{to} the Executive Engineer being appointed a member of the Committee of Visitors, ex officio. The fact that rule 19 makes the District Magistrate, the Sessions Judge, and the D.E.O. members of the Committee ex-officio will not preclude the appointment of ~~the~~ other members to the Committee ex-officio. Rule 19 refers specifically to official residents in the district, and this is quite compatible with ex-officio appointments.
